

JUNIOR CAMP INFORMATION

Camp this year will be split into Mini (Saturday morning to Sunday afternoon); Senior (Sunday evening to Wednesday afternoon); and Junior (Thursday morning to Saturday evening) Camps, all hosted at Weston Farm. A separate Camp will be run at Downe Farm for our oldest (Senior Plus) members, but both Senior and Senior Plus members will be invited to assist with Junior Camp (without their ponies!), should they wish, so Juniors should still have the opportunity to socialise with and learn from older members.

Individual rides (groups) within each Camp will be led by a dedicated instructor, who will oversee stable management and theory sessions for each group, as well as ridden sessions. This will afford members and instructors consistency in their time together during Camp.

Ridden sessions will include flatwork, show jumping, cross-country, mounted games, and hacking; with a total of 9 hours' ridden instruction across the 3-day Camp.

Stable management sessions will comprise theory and practice specifically targeting efficiency test and badge syllabuses, with a total of 5 hours' non-ridden instruction across the 3-day Camp.

Costs

Members and their ponies are expected to attend the full Camp (Thursday morning to Saturday afternoon), but need not stay overnight if, for example, they would rather go home; or if the popularity of this year's Camp is such that we are unable to accommodate all ponies overnight.

A day rate of **£100** will be payable per member attending Junior Camp, to include a compulsory surcharge of **£15 per day** per adult accompanying a member (see 'Unaccompanied members', below), to cover catering. Note that we are unable to accommodate non-riding siblings at this year's Camp. The total cost for 1 member + 1 adult attending Junior Camp will be **£300**, payable either in full upon booking, or in instalments (see 'BOOKING DEADLINE', below). A deposit of £50 must be paid by **Saturday 9th May** to secure your place at Camp.
